# Special Order Plant Containers

## The Manufacturer

For over forty years, this manufacturer has been a leading edge supplier of decorative plant containers for the commercial marketplace. Their products are found in the most prestigious installations around the world. Known for products with clean, distinct lines, and unequalled capabilities, they offer an array of planters which provide alternatives for virtually any interior installation

## The Products

**Fiberglass** Our new line of economically-priced ceramic faux products is the first truly viable alternative to heavy fragile, expensive ceramics. Earth Forms are virtually indistinguishable in both look and feel from traditional ceramics, until you pick one up - it weighs less than half as much! Without ongoing additions of new shapes, sizes and finishes, interior and exterior landscape contractors no longer have to worry about lifting or breaking the traditional ceramic container, ever again

**Optima Eco** Made from recycled aluminum
